

Church Leaders,

The 5in12 framework, available at www.5in12.app, is designed to enhance the discipleship efforts of your church. It provides a clear, systematic pathway grounded in New Testament principles and practices, ensuring alignment, clarity, and a reproducible rhythm that reflects Scripture's models.

Based on patterns observed in Acts 2:42-47 and the Great Commission (Matthew 28:18-20), 5in12 outlines a twelve-month process that integrates training, practice, and community.

Key principles guiding this pathway include:

- **Relational Discipleship Formation (Mark 3:14):** Discipleship is formed through consistent, life-on-life engagement.
- **Scripture Discovery (Acts 17:11):** Believers learn to discover and apply truth directly from God's Word.
- **Obedience as the Measure (James 1:22):** Growth is defined by action and transformation.
- **Missional Living (Acts 2:42-47):** Community and mission function as one expression.
- **Multiplying Leaders (2 Timothy 2:2):** Leadership emerges organically through discipleship.
- **Equipping Every Believer (Ephesians 4:12):** The entire church and its gifts are engaged and participate in ministry.
- **Consistent Rhythm Over Time (Mark 4:26-29):** Lasting fruit develops through faithful, ongoing practice. The rhythm is not a program but becomes a natural way of life.

5in12 serves as a practical structure to cultivate gospel fluency, strengthen church health, and extend gospel impact into your community and the nations. For more information, visit www.5in12.app. Our team is committed to serving your church and integrating this training pathway without cost. Let's discuss the possibilities.
